1. Start with a square piece of paper, white side up.

Fold the paper in half, crease well and open, and then fold again in the other direction.
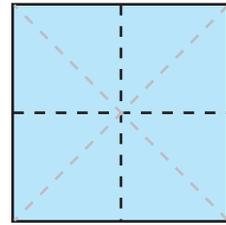

2. Turn the paper over to the coloured side.

Fold the paper in half, crease well and open, and then fold again in the other direction.
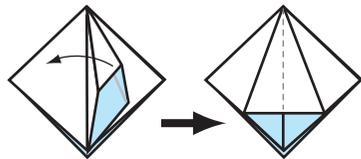

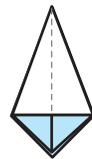

Your creases should look like this.

3. Using the creases you have made, Bring the top 3 corners of the model down to the bottom corner.
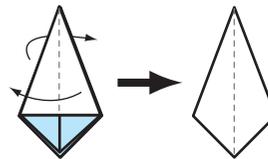

Flatten model.

4. Fold toward centre line and unfold.

5. Using the crease you have just made, open and flatten this flap.

6. Repeat step 4 and 5 on the other 3 flaps of the model.

7. 'Turn the page' of the front and back flaps; so your model looks like this.

8. Lift the top layer up, folding along the crease shown.

9. Now repeat step 8 on the remaining 3 flaps, so the model now looks like this.

10. Turn over and make sure there are equal pleats behind each side of model.
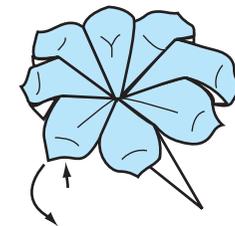

11. Pinch these two creases through all layers.

12. Now pinch the narrow end to make the edges meet behind the model.

Side view

13. Holding the narrow point of the model very loosely, pull the outermost petals toward each other until they meet.
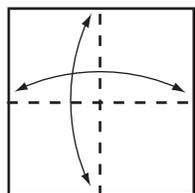

14. Now form the petals by pinching the ends, and slightly folding back these tips.
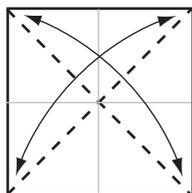

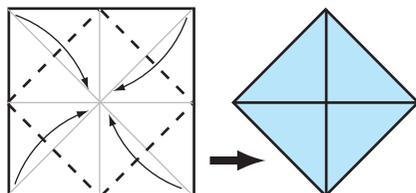

Finished Flower.
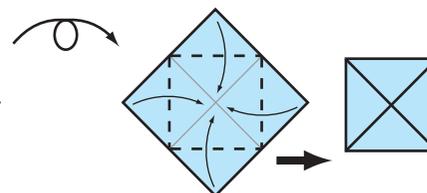

1. Start with your paper white side up.

   Fold in half, open, then fold in half the other way.

2. Now Fold the Paper in half diagonally, both ways.

3. Fold all four corners into the centre and crease well

4. Turn Over and Fold all four corners into the centre again.

5. Your creases should look like this. It looks complicated, but dont worry!
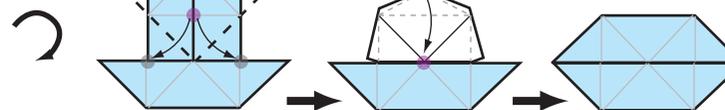

6. Fold the outside edges into the centre line

7. Holding each inside edge from the point at the centre, bring these edges out to the points shown.
   Then, fold the top edge downwards and flatten

8. Rotate the model, and repeat step 7.

9. Fold the top half backwards and flatten
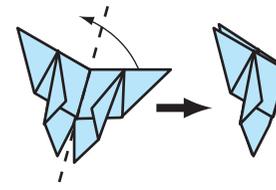

10. Fold down the front outside corners

11. Fold these outside corners inward as shown

12. Fold the butterfly in half

13. Now fold the top layer backwards, at the angle shown.

14. And now fold the back wing backwards also at the same angle

15. Open out. Your butterfly is complete!
